Donate your Scrap Car to CVS!

Every car has a value, whether it's roadworthy or only good for scrap

Giveacar

Is a social enterprise that allows you to donate your old car,
just as you might donate

possessions to a charity shop.

How Does Scrap Car Donation Work?

The process is very simple.

Giveacar

Arrange a convenient time to send round a tow truck.

The vehicles are picked up by the largest vehicle manufacturer approved car recycling network in the UK. They will pick up any car, at no cost to you, and either sell it at a salvage auction, or dispose of it through an authorised treatment facility. ☎ 020 0011 1664

This is a unique opportunity to **double** the impact of your donation.

The money raised will be held in an endowment fund and the interest will be used after March 2011 to continue the grants for small voluntary and community groups in Telford & Wrekin.

If you would like to **make a donation** please make cheques payable to Telford and Wrekin CVS.

And send to:
